PURSUANT to Regulation 12(1) of the Education and *Children's Services Regulations 2020*, I, the Minister for Education publish the following Capacity Management Plan for the purposes of the enrolment of a child at Adelaide Botanic High School:

CAPACITY MANAGEMENT PLAN*Adelaide Botanic High School*

This Capacity Management Plan sets out the conditions for enrolment at Adelaide Botanic High School ("the school").

Adelaide Botanic High School zone

A school zone is a defined area from which the school accepts its core intake of students. From the start of the 2020 school year, Adelaide Botanic High School operates a shared school zone with Adelaide High School, within the area bounded by:

The entire suburbs of Prospect, Nailsworth, Collinswood, Walkerville, Medindie Gardens, Medindie, Thorngate, Fitzroy, North Adelaide, Adelaide, Gilberton, Hackney, College Park, Stepney, Maylands, Everard Park, Ashford, Keswick, Mile End South, Keswick Terminal, Thebarton, Hindmarsh, Brompton, Bowden and Ovingham.

The part suburbs of St Peters (properties located to the south west of Winchester Street), Wayville (properties located to the west of the Adelaide to Glenelg tram line), Goodwood (properties located to the west of the Adelaide to Glenelg tram line), Forestville (properties located to the west of the Adelaide to Glenelg tram line) and Mile End (properties located to the east of South Road).

Families living in the shared school zone wishing to enrol their children at Adelaide Botanic High School may be directed to Adelaide High School if capacity is reached in specific year levels or the year level is not currently available.

An online map and a search tool to indicate if an applicant's home address is within the school zone is available at <https://www.education.sa.gov.au/findaschool>.

Student Enrolment Numbers

Due to the transition of Year 7 to High School there will be an intake of Year 7 and Year 8 students in 2022. From 2023 onwards Year 7 will be the only intake year level.

Year 7

The student enrolment ceiling for Year 7 in 2022 is limited to **208**, unless there are more applications that have met the enrolment criteria below. If there are more than 208 applications for enrolment that have met the criteria for enrolment below, applicants living in the school zone may be shared with Adelaide High School.

Year 8

The student enrolment ceiling for year 8 in 2022 is limited to **208**, unless there are more applications that have met the enrolment criteria below. If there are more than 208 applications for enrolment that have met the criteria for enrolment below, applicants living in the school zone may be shared with Adelaide High School.

Selective entry special interest program

The maximum number of out of zone enrolments to the school's selective entry special interest program is limited at year 7 (and year 8 in 2022) as follows:

- Year 7—**20** Health and Sciences (STEM) pathway
- Year 8—**20** Health and Sciences (STEM) pathway

Selective entry numbers are included in the Year 7 (and Year 8 in 2022) enrolment ceiling of **208** students. Entries to the program are subject to the eligibility requirements published by the school, available from: <https://abhs.sa.edu.au/>

International Education Program

No International Education Program places will be offered at the school.

*Enrolment Criteria—By Year Level***YEAR LEVEL: 7 (and 8 in 2022)**

Applications for enrolment from parents of prospective Year 7 (and Year 8 in 2022) students require that the student must be enrolled in a government or non-government school in South Australia at the time the parents apply for enrolment through the statewide registration of interest process (coordinated by the Department for Education).

The applicant must meet one of the following requirements to be eligible for a Year 7 (and Year 8 in 2022) allocation at Adelaide Botanic High School through the registration of interest process for the coming school year:

- the child is living in the shared school zone of Adelaide Botanic High School and Adelaide High School
- the child has been offered enrolment on the basis that the child lives in a suburb formerly in the shared school zone of Adelaide Botanic High School and Adelaide High School and has a sibling currently attending the school
- the child has received and accepted an offer for enrolment by the school to participate in the selective entry special interest program
- the child identifies as Aboriginal and/or Torres Strait Islander through the Enter for Success program (applications due by the end of term 4, the previous year).
- the child has been granted enrolment due to special or extenuating circumstances, including but not limited to a child in care where there is a custody or guardianship order made under the *Children and Young People (Safety) Act 2017*.

Applications for Year 7 (and Year 8 in 2022) from students living in the shared school zone

Parents of prospective Year 7 (and Year 8 in 2022) students living in the shared school zone can nominate their choice of school through the department's registration of interest process. Places will be offered based on a child's highest choice of school, and availability of places.

If more applications than the enrolment ceiling are received from parents living in the shared school zone, a priority order may be applied to applications and places will be offered based on whether any, all or a combination of the following applies:

- the child currently has a sibling attending the school
- the distance of the child's residence from the school
- other personal needs, such as curriculum (excluding special interest pathways), transportation/location convenience, and social/family links at the school.

Applicants not allocated their first choice of school will be placed on the enrolment register, and will be referred for enrolment to the shared zone school (Adelaide High School).

Applications for Year 7 (and Year 8 in 2022) from students living outside the zone with siblings currently at the school

There is no automatic entry to the school for Year 7 (and Year 8 in 2022) students who live outside the school's zone and have siblings who currently attend the school.

Application for Year 7 (and Year 8 in 2022) from students who have siblings at the school and live outside the school zone, but in suburbs formerly in the shared school zone of Adelaide Botanic High School and Adelaide High School will be considered for enrolment if:

- the child has applied through the department's statewide registration of interest process; and
- the sibling was living in the shared school zone in the suburbs of Clarence Park (west of East Avenue), Black Forest, Glandore, Kurralta Park, Marleston (east of Grove Avenue), Richmond (east of Brooker Terrace), Hilton, Mile End (east of Bagot Avenue and west of South Road) or Torrensville (east of Jervois Street) when they enrolled at the school for 2019; and
- the sibling continues to be enrolled to attend the school in the coming school year; and
- the child is still living in suburbs previously included in the school's shared zone (listed above).

Applications for enrolment for children with siblings at the school that meet the requirements set out above will be considered only until the start of the 2023 school year.

Late applications for Year 7 (and Year 8 in 2022) from students living in the school zone

Families who move into the school zone, or who are already living in the school zone but lodge their application for enrolment after the department's registration of interest process is completed (end of term 2), will have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school's enrolment register.

In these cases, applications will be considered based on siblings at the school, the distance of the child's residence from the school and any other personal needs, such as curriculum (excluding special interest programs), transportation/location convenience, and social/family links.

The school will notify parents by the beginning of week 1, term 4 if a vacancy is available for their child to attend the following school year.

If no vacancies exist, the applicants will be placed on the enrolment register and referred for enrolment to other neighbouring schools.

YEAR LEVEL: 8 to 11 (9 to 12 in 2022)**Application for Year 8 to 11 (9 to 12 in 2022) from students living in the school zone**

Applications for enrolment from parents of prospective students living in the school zone will be considered if or when vacancies exist, with priority consideration afforded to those applicants already on the enrolment register.

In these cases, applications will be considered based on siblings at the school, the distance of the child's residence from the school and any other personal needs, such as curriculum, transportation/location convenience, and social/family links.

The school will notify parents by the beginning of week 1, term 4, if a vacancy is available for their child to attend the following school year.

If no vacancies exist the applicants will be encouraged to remain at their current high school, or referred for enrolment to other neighbouring schools, and upon an applicant's request will be placed on the school's enrolment register.

Out of zone applications with siblings currently at the school

There is no automatic entry to the school for prospective Year 8 to 11 students (9 to 12 in 2022) students who live outside the school's zone and have siblings who currently attend the school.

*Enrolment Criteria—General***Transfer of students between schools in the shared school zone**

Applications for students living in the shared school zone seeking to transfer from Adelaide High School to Adelaide Botanic High School will only be considered in special circumstances and by agreement between the principals of the schools. These applications will be assessed on a case by case basis.

Special Circumstances

Enrolment applications for special consideration based on compelling or unusual reasons, including but not limited to a child in care where there is a custody or guardianship order made under the *Children and Young People (Safety) Act 2017*, may be granted by the Principal in consultation with the Education Director. These applications will be assessed on a case by case basis.

*Enrolment Process***Enrolment Register**

Parents whose child's name has been placed on the enrolment register will be contacted by the beginning of week 1, Term 4 if a vacancy is available for their child to attend the following school year.

The enrolment register will be reviewed and updated annually.

The position that a child's name appears on the register is confidential and will only be disclosed as required by law.

It is the responsibility of the parents applying for enrolment to be able to verify to the satisfaction of the school that the information provided is true and factual.
